

Alcohol & Other Drug Care & Recovery Coordination

Care & Recovery Coordination provides support for people with drug and alcohol dependence who are also experiencing other issues impacting on their life, such as housing, legal, health and social issues.

The Care & Recovery Coordinators are based at Gateway Health in Wangaratta and Wodonga. They can also travel to other areas in the region if required, for example; Benalla, Mansfield, Myrtleford, Beechworth and Mt Beauty.

What we do and how we do it:

Working together we develop a recovery plan based on your values and specific to your needs. We help you set achievable goals, provide ongoing support and access the services you need.
