

ALCOHOL & OTHER DRUG SERVICES

Gateway Health provides a range of alcohol & other drugs (AOD) treatment services to both young people and adults across North East Victoria.

The primary service delivery sites are in Wangaratta and Wodonga, with regular outreach services provided to the communities of Benalla, Mansfield, Myrtleford and Beechworth. Services can also be provided to additional townships on an as needs basis. Services are tailored to meet the needs of individuals within our diverse communities.

For intake, assessment and referral into these services please contact
ACSO on **1300 022 760**

- AOD Counselling
- AOD Care and Recovery Co-ordination
- Non-residential Withdrawal Support (Outpatient / Home based)

To access these services please contact **Gateway Health** Wangaratta or Wodonga.

- Youth AOD Outreach Support ages 12-25 years
- Opioid Dependence Treatment (Pharmacotherapy / Methadone Program)
- Family AOD Counselling & Support
