Key Responsibilities

1. PERSONAL & PROFESSIONAL DEVELOPMENT

Demonstrated experience and understanding of the need for continuation of both personal & professional development.

- Continually develop both personally and professionally to meet the changing needs of your position, career and organisation.
- Have a sound knowledge of relevant organisational policies and procedures as well as program work practices.
- Attend all relevant training sessions provided by the organisation and be actively involved in other training and development as required.
- Actively participate in the organisation's Performance Management System.

2. COMMUNICATIONS & ORGANISATION CULTURE

Excellent communication and interpersonal skills including demonstrated experience in liaising with a wide range of internal and external clients.

- Act in a professional manner at all times when dealing with internal & external clients.
- Positively promote the organisation both internally & externally.
- Be prompt and provide courteous service to clients, colleagues and the broader community.
- Maintain confidentiality on all issues relating to the organisation, the clients & fellow colleagues.
- Treat all clients with respect whilst being responsive to their needs, and promote a culture which prioritises client choice at all levels of service delivery.
- Observe and comply with the organisation's code of conduct.

3. ADMINISTRATION & DOCUMENTATION

Through the use of the organisational processes ensure that all administration and documentation requirements are initiated and completed in a professional and timely manner.

- Ensure the development, implementation and maintenance of policies, procedures and work practices that support the efficient operation of the organisation.
- Ensure that all documentation is accurate and completed in a professional and timely manner.
- Input statistical data using relevant data bases to meet agreed timelines.
- Comply with OH& S and other relevant legislation.

4. TECHNICAL SKILLS & APPLICATION.

Demonstrated knowledge and application of the skills required for this position. This includes knowledge and understanding of appropriate equipment, legislation, policies and procedures.

- In collaboration with clients, provide a high level of expert dietetics intervention in accordance with relevant guidelines, professional code of ethics and Gateway Health Policy and Procedures.
- To be a strong Dietetic voice within the multi-disciplinary, Rural Health Team, liaising with and referring to other team members, in order to provide an optimum level of client independence where appropriate.
- Effectively collaborate with and refer to other health professionals and agencies as appropriate to ensure coordinated services.
- Work seamlessly across all Dietetic services –public and private-, as required, to maximise service access and continuity of care for clients.

- To act as a strong nutrition advocate and resource for clients, caregivers, health professionals, and community groups, as required
- Positively participate in and support organisational supervision.
- Supervise Grade 1 Dietitians, Dietetic students and Allied Health Assistants (AHAs) when deemed appropriate.
- Meet service delivery targets.
- Participate in and lead other duties as directed.
- Initiate and lead quality improvement activities within Dietetics and the Rural Health Team.

5. TEAMWORK & COMMUNICATION

Demonstrated ability to lead and develop a diverse team or participate as an active member of a team, consistent with the philosophy and policies of the Organisation.

- Be aware of, and practice according to, the organisation's objectives and values.
- Demonstrate the ability to work positively within the designated program/team to achieve agreed goals.
- Work harmoniously with other team members to ensure that a quality service is provided to our clients.
- Demonstrate effective communication skills (both verbal & written) in dealing with clients, visitors, staff, etc.

6. CONTINUOUS QUALITY IMPROVEMENT

Commitment to ensuring quality services are delivered to both internal & external clients through continuous improvement activities.

- Actively contribute to quality improvement initiatives and other program activities to meet relevant accreditation standards.
- Demonstrate ability to use initiative and skills in planning and prioritising daily activities.
- Demonstrated understanding of all relevant external legislation and internal policies and procedures that relate to this role and the organisation.
