About Gateway Health

Gateway Health is a not-for-profit Company limited by guarantee and a registered Community Health Service under the Health Services Act 1988 (Vic).

Vision: People Living Well

Our Purpose: To provide care and services that connect the community and strengthened individual and population health and wellbeing

Our Values: Values reflect the way we interact, connect and work with every client, with partners, with volunteers and with one another. Principles shape the way we plan and design our services and business systems. Together they underpin organisational culture, strategy and the way we deliver our services.

We CARE – We ACHIEVE – We LEARN – We WORK TOGETHER – We INNOVATE

Our Principles:

- We **advocate for*** fair and equitable access to health care and wellbeing services for all.
- We **respect*** the strength of individuals and the community, and their capacity to recover from adversity.
- We **recognize*** the importance of adaptability and responsiveness to enable us to deliver on our commitment to the community.
- We **actively listen*** and work alongside the community and each other to design and deliver better solutions.
- We **believe*** a learning culture is critical to enhancing the wellbeing of staff, clients and the community.
- We **contribute to creation of*** a connected and integrated health and community care system to achieve the best outcomes for our clients and community.

Gateway Health strives for an achievement culture that encourages innovation and initiative. We build and foster strengths-based programs that focus on support and recovery. Our staff are our greatest asset.

The organisation employs over 380 staff providing a range of primary health and welfare services across the Ovens Murray region in North East Victoria and parts of Southern New South Wales. Gateway Health serves all people, and is committed to improving individual and population health outcomes. We will do this by providing health care and support to individuals and communities in times of need, and by actively working with our partners to address the social and environmental determinants of health. They are delivered through a mix of centre-based services in Wodonga, Wangaratta and Myrtleford, and outreach services to rural communities across the region.

Gateway Health is committed to creating a workforce that reflects the communities we serve. We believe that a workforce that recognises and celebrates diversity will best meet the health and well-being needs of all people we serve including Aboriginal and Torres Strait Islander peoples; people with a disability; lesbian, gay, bisexual, transgender and gender diverse people; inter sex people; people experiencing health inequalities; and culturally and linguistically diverse people.

Review of Position Descriptions:

This position description will be reviewed annually (July each year), during annual appraisals, when the position becomes vacant or as deemed necessary.

------------------------	---

Key Responsibilities and Accountabilities

Role Specific

- Undertake comprehensive AOD Assessments and develop Individual Treatment Plans with clients as required. This includes identifying client needs across a range of domains, and initiating and following up referrals to other service providers as needed.
- Provide high quality therapeutic counselling and a range of targeted therapeutic interventions, including brief interventions and single session therapy to young people and/or adults who are experiencing problematic alcohol and/or other drug use.
- Contribute effectively to a clinical review process.
- Providing clients with exit and post treatment support plans to offer them appropriate support to maintain treatment gains.
- Participate in ongoing planning, monitoring, evaluation and continuous improvement, of the service and to identify future funding opportunities.
- Provide accurate and timely data and reports according to the requirements of the funding body.
- Develop Individual Treatment Plans (ITP's) with clients.
- Facilitate referrals to other service providers, including Gateway Health services such as the medical practice or allied health programs.
- Work collaboratively with other services using a 'shared care' approach when indicated. Including residential detox or rehabilitation services, and support clients to access and successfully engage with these services.
- In conjunction with the Team Leader and other colleagues; work effectively with a range of other health and welfare services to develop or strengthen referral pathways into the AOD services and improve care planning systems to support better outcomes for clients.
- Role model high standards of professional practice and conduct in client service delivery, working in partnership with colleagues and agencies.
- Provide evidence-based practice in line with professional and funding requirements.
- Complete high-quality clinical notes within agreed time frames and in accordance with GH and relevant professional body policies and procedures.
- Complete all program specific administrative tasks within the required time frames.
- All data is entered onto designated service databases, including excel spreadsheets.
- Databases are kept up to date at all times.
- Timely and accurate commencement and maintenance of client records, financial and statistical data and any other information per organisational policy.
- Participation in regular performance reviews and appraisals.
- Active participation in Professional Development.
- Active participation in specific clinical supervision and operational supervision.
- Completion of mandatory training.
- Competently use all relevant organisational databases – including but not limited to VHIMS, RelainSys, clinical software, financial software etc.

People

- Develop and maintain professional relationships with internal and external stakeholders.
- Contribute to productive and positive team meetings.
- Willingness to engage in a flexible work model that may require significant out of hours work and travel.
- Positively contribute to the culture and spirit of the AOD team, work environment and to GH.
- Your behaviour is congruent with organisational values, behaviours and goals
- Contribute to the development of procedures and systems within this program
- Positively embrace and adopt change as it occurs.

Technical Skills / Industry Knowledge

- Comply with minimal funding requirements
- Complete annual renewal of registration to practice (as required).

Generic Organisational Responsibilities

- As outlined in the Code of Conduct ensure all interactions are undertaken in accordance with the behaviours set
- Maintain privacy and confidentiality at all times
- Ensure an understanding of individual responsibility for safety, quality and risk and adhere to all relevant legislation, regulations and organisational policies, procedures and guidelines.
- Working within the Risk Management Framework, identify, report and manage risks and ensure actions are taken to prevent and minimise harm to yourself, your colleagues, consumers, members of the public and the organisation.
- Actively contribute to quality assurance initiatives and other program activities to meet all relevant benchmarking and accreditation standards.
- Contribute to organisational quality activities to ensure continual review and improvement.
- Contribute to a safe and welcoming workplace at all times.
- Develop and maintain a personal care plan and attendance in the Gateway Health Clinical Supervision or Line Management Meetings
- Protect the rights, safety and wellbeing of children and provide a child safe environment.
- To continually develop both personally and professional to meet the changing needs of your position, career and organisation.
