- Attend all relevant training sessions provided by the organisation and be actively involved in other training and development as required.
- Actively participate in the organisation's Performance Management System.

### 2. COMMUNICATIONS & ORGANISATION CULTURE

*Excellent communication and interpersonal skills including demonstrated experience in liaising with a wide range of internal and external clients.*

- Act in a professional manner at all times when dealing with internal & external clients.
- Positively promote the organisation both internally & externally.
- Be prompt and provide courteous service to clients, colleagues and the broader community.
- Maintain confidentiality on all issues relating to the organisation, the clients & fellow colleagues.
- Treat all clients with respect whilst being responsive to their needs, and promote a culture which prioritises client choice at all levels of service delivery.
- Observe and comply with the organisation's code of conduct.

### 3. ADMINISTRATION & DOCUMENTATION

*Through the use of the organisational processes ensure that all administration and documentation requirements are initiated and completed in a professional and timely manner.*

- *Contribute to* the development, implementation and maintenance of policies, procedures and work practices that support the efficient operation of the organisation.
- Ensure that all documentation is accurate and completed in a professional and timely manner.
- Input statistical data using relevant data bases to meet agreed timelines.
- Comply with OH& S and other relevant legislation.

### 4. TECHNICAL SKILLS & APPLICATION.

*Demonstrated knowledge and application of the skills required for this position. This includes knowledge and understanding of appropriate equipment, legislation, policies and procedures.*

- Provide comprehensive podiatry intervention to a range of conditions in accordance with best practice, standards, professional guidelines and professional code of ethics
- To work as part of a multi-disciplinary team, liaising with and referring to other team members, in order to provide an optimum level of client independence, where appropriate, and enhanced health outcomes.
- To liaise with, and refer to, health professionals internally, and in external agencies as appropriate and to ensure coordinated services.
- To coordinate and provide outreach and off site services in line with the needs and direction determined by the organisation.

- Attend relevant forums and meetings to maintain current knowledge and skills and support networks relevant to the organisation's values and principles, and the needs of target client groups.
- To act as a resource for clients, caregivers, health professionals, Universities, TAFE colleges and community groups, to provide advise and expertise in response to appropriate requests and discussions.
- A willingness to work across all Gateway Health public and private service models, to create a seamless and optimal experience for people accessing care.
- Participate in the marketing and promotion of the service as required.
- Provide supervision to students, junior staff and Allied Health Assistants.
- Monitor annual targets, and work with management and other senior clinicians to identify appropriate service models and work plan alterations to remedy issues identified.
- Initiate and lead quality improvement activities within Podiatry and the Rural Health Team.

## **5. TEAMWORK & COMMUNICATION**

*Demonstrated ability to lead and develop a diverse team or participate as an active member of a team, consistent with the philosophy and policies of the Organisation.*

- Be aware of, and practice according to, the organisation's objectives and values.
- Demonstrate the ability to work positively within the designated program/team to achieve agreed goals.
- Work harmoniously with other team members to ensure that a quality service is provided to our clients.
- Demonstrate effective communication skills (both verbal & written) in dealing with clients, visitors, staff, etc.

## **6. CONTINUOUS QUALITY IMPROVEMENT**

*Commitment to ensuring quality services are delivered to both internal & external clients through continuous improvement activities.*

- Actively contribute to quality improvement initiatives and other program activities to meet relevant accreditation standards.
- Demonstrate ability to use initiative and skills in planning and prioritising daily activities.
- Demonstrated understanding of all relevant external legislation and internal policies and procedures that relate to this role and the organisation.
