Our Services

“People living well”

Our values:

- We care
- We achieve
- We work together
- We learn
- We innovate

Our Services

Are aimed at helping people maintain strong, positive relationships and develop healthy lifestyles to live well.

Access

Anyone in need of information or support can contact us. Some services have an eligibility criteria. Due to funding allocations some services are only available in certain areas. Contact us to find out which services are available in your area.

Interpreter Services

We have access to interpreter services. Let us know if you would like an interpreter.

Area Serviced

Gateway Health services North East Victoria and Southern NSW. We have offices in Wangaratta, Wodonga and Myrtleford. We can also provide an outreach service to rural areas for some programs.

Cost

Fees and co-payments may apply for some of our services. We will not refuse support to any person based on their ability to pay. Our Medical Practices have bulk-billing available.

Gateway Health is a Registered NDIS provider.
