

Gender Service - Wodonga

Support ◆ Information ◆ Referral

Gender-questioning, trans and gender diverse young people aged 17 and under

Our Gender Service Nurse will chat with you about where you're at and what is going on for you. They can connect you with supports and information. Even if you are just looking for someone to talk to, come and see us.

Parents, carers and family members

There can be a lot of information and a range of emotions to navigate for families of gender diverse children. Our nurse can assist you with information and support for your child and family.

GP's, schools and service providers

Our nurse is dedicated to keeping up to date with the latest information on gender affirming care. We provide secondary consultation, assistance with referrals and in-house information for your staff.

When is it open?
