

About this form

We understand that entering into aged care can be a sensitive time.

If you are entering an aged care home, the Australian Government may subsidise your aged care fees. **This form collects details of your income and assets so we can calculate the amount you will pay towards your residential aged care.**

A simpler digital version of this form is available by going to servicesaustralia.gov.au/forms and selecting 'Aged Care Calculation of your cost of care (SA486)'.

When to use this form

Fee Estimator

You can get an estimate of the amount you may be asked to pay towards your residential aged care by going to www.myagedcare.gov.au and searching for 'fee estimator'.

You can talk to a **Financial Information Service (FIS)** officer who will give you information about the financial aspects of aged care. Call us on **132 300** and say '**Financial Information Service**' when we ask why you are calling.

For more information

Go to servicesaustralia.gov.au/agedcare or call us on **1800 227 475**.

To speak to us in your language, call us on **131 202**. Call charges may apply.

If you have a hearing or speech impairment, you can call the TTY service on **1800 555 677**.

If you receive a Department of Veterans' Affairs (DVA) payment, and would like to discuss your assessment you can call DVA on 1800 VETERAN (**1800 838 372**).

If you want an assessment for a Home Care Package, complete the **Home Care Package Calculation of your cost of care (SA456)** form instead.

If you receive a means tested payment from Centrelink or DVA, do not complete this form (see the next page for a list of payments). Instead:

- If you **own or part own your home** including in a retirement village: Complete the shorter **Residential Aged Care Property details for Centrelink and DVA customers (SA485)** form.
- If you **do not own your home**: We can automatically complete an assessment for you when you enter residential aged care.

If your income and assets have not been updated in the last 2 years or have changed since you last made an update, **go** online through myGov or call Centrelink on **132 300** or DVA on 1800 VETERAN (**1800 838 372**).

If you need a pre commencement fee letter call Centrelink on **1800 227 475** or DVA on 1800 VETERAN (**1800 838 372**).

If you do not wish to provide your income and asset details, complete this form and answer No at question 13. You will pay the maximum means-tested care fee until you reach the annual or lifetime cap.

This means that your provider can require you to pay the **basic daily fee, maximum means-tested care fee and accommodation cost**.

This assessment is valid for **120 days** from when we first notify you of the outcome.

Keep these Notes (pages 1 to 4) for your information.

The following information is for your reference to help you fill in this form.

Calculating your cost of care

All aged care residents may be asked to pay a basic daily fee. In addition, some residents may also be required to pay a means-tested care fee. This form is used to calculate the amount you will pay towards your cost of care.

There are annual and lifetime caps that apply to the means-tested care fee for residents who entered an aged care home after 1 July 2014. Services Australia will write to you and your service provider once you have reached the annual or lifetime cap.

Some residents will have their accommodation costs paid in full or in part by the Australian Government. Others will need to pay the accommodation cost they negotiate with their aged care home provider.

Centrelink or Department of Veterans' Affairs payments

Non-means tested payments may include:

- Age Pension (Blind)
- Disability Support Pension (Blind)
- War Widow(er)s Pension
- Disability Compensation Payment paid by DVA (not including Income Support Supplement)
- Service Pension (Blind) paid by DVA

Means tested payments may include:

- Age Pension
- Disability Support Pension
- Carer Payment (not including Carer Allowance)
- Special Benefit
- Service Pension
- Income Support Supplement
- Veterans Payment
- Farm Household Allowance

Who should complete this form?

If you are not receiving any Centrelink or DVA payments OR you are receiving a Centrelink or DVA **non-means** tested payment listed above, you will need to complete this form so we can calculate your cost of care. This is because we do not know enough about your income and assets to complete your assessment.

Who should not complete this form?

If you are receiving one of the **means tested** payments from Centrelink or DVA listed above, and:

- you do not own your home, and
- you have updated your records within the last 2 years, or
- your assets and income have not changed since you last provided an update

do not complete this form. We have enough information about you to complete your assessment.

If you are receiving one of the Centrelink or DVA **means tested** payments listed above and you own or part own your home (including in a retirement village), **do not complete this form.** You will need to complete the shorter **Residential Aged Care Property details for Centrelink and DVA customers (SA485)** form, as we need to collect information about your home to complete your assessment.

Remove this Notes booklet from the form if you have not already done so.

Protected person for aged care purposes

For aged care legislation purposes, a protected person is:

- your partner or dependent child
- your carer¹ who is eligible to receive an Australian Government income support payment and who has lived in your home with you for the past 2 years
- your close relative who is eligible to receive an Australian Government income support payment and who has lived in your home with you for the past 5 years.

If your home is occupied by a protected person, it may not be counted as an asset for aged care purposes.

Your carer or close relative will need to give their consent in this form to allow Services Australia or DVA to check their eligibility for an income support payment.

This exemption may be lost if the protected person who has been living in the home, moves out of the home or loses their eligibility for their income support payment.

¹ It is not necessary for your carer to have received a Carer Payment or Carer Allowance in order to be considered a carer. However, at the date you enter care or complete this form your carer must meet the eligibility criteria for an Australian Government income support payment (notionally entitled person).

Assets for the purposes of aged care

An asset is any property or item of value you (and/or your partner) own, or have an interest in, including those held outside Australia. Examples include real estate, shares, household contents and personal effects.

If you are a member of a couple, you are deemed to own half of the total combined assets, regardless of whose name these are held in.

If you enter residential aged care on or after 1 July 2014, and your home is not occupied by a protected person, it will be counted as an asset. However, the amount of the home included as an asset will be capped.

If your home is counted as an asset, you do not need to have it professionally valued. If required we will verify the estimated value of the property at no cost to you.

If you have made a gift, the limit you are able to give away is \$10,000 in the previous 12 months or \$30,000 in the previous 5 years – this cannot include more than \$10,000 in any year. Gifts over these amounts will be considered an asset in your assessment.

Income for the purposes of aged care

Income, for the purposes of aged care, is not the same as taxable income. Your assessed income includes:

- income from work
- income support payments from the Australian Government, such as the Age Pension, a Service Pension or an Income Support Supplement
- income from financial investments
- net income from rental properties
- some payments paid by the Department of Veterans' Affairs
- net income from businesses, including farms
- superannuation and overseas pensions, income from income stream products such as annuities and allocated pensions
- family trust distributions or dividends from private company shares
- income from outside Australia.

If you have a partner, you will be asked to answer questions about your combined income. Your income will be assessed as half of the total combined income, regardless of whose name it is in.

Financial investments deemed to be earning income include bank accounts and other financial investments. It is important you tell us about all the bank accounts and financial investments you (and/or your partner) have no matter what income they are actually earning.

Money or assets that you (and/or your partner) have given away in the last 5 years, may be considered to earn income.

Retirement villages or independent living units

Retirement villages or independent living units are not residential aged care homes and are not subsidised by the Australian Government. A retirement village provides accommodation for retirees (over the aged of 55). Independent living units are a housing option for older people who want to live independently.

Residents of retirement villages or those living in independent living units generally enter into an agreement that outlines how much they will pay to enter and the amount (if any) refundable after they leave. Following departure the amount refundable may be subject to this assessment.

Person signing on your behalf

This form must be signed by the person the application is for or someone who is authorised to sign on their behalf. An authorised person may be an Enduring Power of Attorney, Power of Attorney (financial), or a person/organisation holding an administrative or financial order.

A person can apply for an assessment for the cost of care on behalf of someone else if:

- they are already acting as the person's nominee
- they hold a power of attorney or guardianship order
- a letter from a doctor, nurse or similar health professional is provided stating that the customer is unable to sign the application form
- the application is made by the Director of Nursing at the aged care home where the customer is a resident.

Where the person is deceased only the executor of the will or a person holding letters of administration is authorised to sign on behalf of their estate.

Authorising a person or organisation to enquire or act on your behalf

You can authorise a person or organisation to enquire or act on your behalf for Centrelink payments and services including Aged Care. You will need to complete the **Authorising a person or organisation to enquire or act on your behalf (SS313)** form at the back of this form and return it separately. If you want more information about nominee arrangements, go to servicessaustralia.gov.au/nominees or call us on **1800 227 475**.

If you are receiving a DVA means tested payment (see notes page 2 of 4) complete the **Aged Care Request for a nominee for Department of Veterans' Affairs customers (AC019)** form by going to servicessaustralia.gov.au/forms.

For information about the DVA authorised person arrangements, call DVA on 1800 VETERAN (**1800 838 372**).

Keep these Notes (pages 1 to 4) for your information.

55 In the 5 years **before** your application/entry date, have you (and/or your partner) **given away**, or sold for less than their market value, or surrendered a right to any cash, assets, property or income?

Gifting is where you:

- give away assets, or
- transfer them for less than their market value.

For example, if you or your partner:

- give away/transfer shares in a private company
- transfer your shares or units in a trust or company and do not get full market value for them
- give up control of a trust or company – this is a gift of all the assets the trust or company holds
- own a property and sell it for less than it is worth
- buy a car as a present
- have 10% of your wages donated to your church
- forgive a loan
- have to repay a business loan because you guaranteed it
- put money into a family trust and neither you nor your partner control the trust.

It is not gifting if you:

- own a house valued at an amount, but sold it on the open market with the best offer to date, as you could not wait for a higher offer
- have a debt that you cannot repay, so you transfer a car worth about the same to wipe out the debt
- put money into a family trust that you or your partner control.
