We are proudly **NDIS registered**

Our verification audits are
completed by *Quality Innovation
Performance Limited (QIP)*

What does verification mean?

We are regularly independently audited to ensure we meet the national quality and safety standards required to be a registered National Disability Insurance Scheme (NDIS) provider.

What does verification mean to you?

- ➔ The supports and services we provide are of a high-quality and delivered within safe environments
- ➔ We understand and comply with the NDIS Code of Conduct
- ➔ Our workers fulfil stringent screening requirements
- ➔ We have a complaints management and resolution system
- ➔ We have an incident management system and will notify the NDIS Commission should a reportable incident occur
- ➔ We value your feedback and are continuously improving
